Dear Ms. Kang:

This is in response to your letter regarding our ammended 12-Day Prespecial Election Report.

Our H3 Schedule has been corrected and reflects NRP Nonfed Acct c/o Bank of the West and Bank West. Future reports will reflect this as well.

The exempt activities were not in coordination or on behalf of any federal candidates. These descriptions have been corrected and moved to our other disbursement category reflected on Line 29 B.

The H3 Schedule that show the transfer for \$16991.17, related to the above expenses and the money was transferred back from our Federal account to our Nonfederal account on 3/20/02.

This will be reflected on our next quarterly report.

I believe this completes your questions.

Sincerely,

Chrissie Hastie
